Context Engineering

Four ways to work with AI

Prompt | **Instructions** | **Skills** | **Agents**

Meet Claude — Your AI Assistant

4 ways to work with AI

1. PROMPT

Draft an email about today's meeting

A one-time request.
Gone when the chat ends.

2. INSTRUCTIONS

HOUSE RULES: formal tone · no emojis · Swiss German

Always-on rules.
Loaded every single time.

3. SKILLS

PDF EXCEL LEGAL CODE

Specialized knowledge — loaded only when needed.

4. AGENTS

CODE REVIEWER DATA ANALYST RESEARCHER

Specialists with their own tools and scope.

ALL TOGETHER

Prompts + Instructions + Skills + Agents
= a powerful AI ecosystem.

An agent at work
